Hotel Lucia has introduced its LULU (Let Us Love U) program, offering weekend guests a special local welcome at check-in.

Every month, weekend travelers will enjoy a taste of Oregon. In June, arriving clients receive a cup of Oregon's own SakeOne's Momokawa brand, including organic Nigori sake and organic Junmai Ginjo.

In July, guests can expect locally brewed Deschutes Brewery beer as a welcome amenity, including two flavors: Inversion IPA and Twilight Summer Ale.

"We owe our success today to our loyal guests," said Bashar Wali, President of Provenance Hotels. "And we wanted to find yet another way to let our guests know how much we appreciate them with this new program in place."

Located in the heart of downtown Portland, the 127-room Hotel Lucia offers an artsy boutique setting within walking distance of shopping, restaurants and night clubs.
