Hotel Lucia / ★★★

400 SW BROADWAY, PORTLAND; 503/225-1717 OR 877/225-1717

This is one of the most stylish of all of Portland's boutique hotels, rivaling anything the W chain might offer in larger cities, for much less money. The white and black minimalism of the lobby is softened by splashy modern art, unusual fresh flowers, and a seating area warmed by a fireplace. The hip staff are good guides to what's hot in the city. The pet-friendly rooms, while not exactly spacious, do offer amenities like a pillow menu, feather-top beds, and 24-hour room service from Bar Restobar, a small-plates fusion kitchen and cocktail bar, next door. \$\$\$; AE, DC, DIS, MC, V; checks OK; www.hotellucia.com; at Stark St. ♿
