Hotel Lucia / ★★★

400 SW BROADWAY, DOWNTOWN; 503/225-1717 OR 877/225-1717

The 127 well-appointed rooms in the Hotel Lucia offer luxury in a Euro-efficient style. Suites are palatial, and what most rooms lack in size, they make up in appeal. Plush bedding, clean lined furnishings in dark wood tones, and tiled bathrooms with chrome and stainless steel fixtures make for very comfortable accommodations. The hotel's downtown location and exceptional art collection—including an extensive assortment of Pulitzer Prize winner David Hume Kennerly's photos—add to its sophistication. As well, each room has a “get it now” button for your every wish, as well as 24-hour room service providing Thai and American cuisine from Typhoon! restaurant on the ground floor. The hotel also takes pets with an additional fee. \$\$\$; AE, DC, DIS, MC, V; no checks; amenities include pillow menu, flat-screen TVs, iPod docking stations, free wi-fi, 24-hour business center; www.hotellucia.com; valet or street parking; map: j3. &
