Oprah recommended it in the May 2008 issue of O, Conde Nast Traveler named it to its Gold List in January 2008 and that's because The Hotel Lucia is a wonderful, contemporary hotel right in the middle of downtown Portland, Oregon within easy walking distance to all of the wonderful shopping and restaurants. The hotel features a fantastic display of artwork with a special emphasis on the famous, Pulitzer Prize winning Portland photojournalist, David Hume Kennerly; boasting the largest permanent collection of black and white photographs by the artist.

For an additional fee of \$45 per stay the St. Lucia welcomes pet-guests of all sizes and provides a wonderful pet amenity of two bowls; one filled with water and one filled with kibble, a fun squeaky toy, some clean up baggies, and a BIG FLUFFY pet bed.

And for the people guests...a pillow menu, meticulously appointed guest rooms, and delightful staff make this hotel a great place to call home while in Portland.
