Hotel Lucia

It might not seem as sexy as the local Ace Hotel, but the Lucia happens to be a lot more comfortable. Plus, it's in the same prime downtown area, and the whole place is decorated with the elegant photojournalism of Oregon's own David Hume Kennerly. The rooms are smallish and conservatively designed but we repeat, *comfortable*—and customizable with your choice of pre-programmed iPod, pillow type, and religious text. (Our recommendations? Jazz, extra-firm, and *The Book of Mormon*.)
